Year Group- Foundation Stage

Theme- Easter

Ask children to think of things that belong to Easter and draw pictures of them. Can they add a label?

Watch the videos on cbeebies about Toby celebrating Easter by following the links:

[preparing for Easter](#)

[Celebrating Easter](#)

Explain to children that Easter is a Christian Festival and that people like Toby celebrate it every year to remember that Jesus was resurrected.

Share a simple version of the Easter story with the children. At school, we wouldn't go into too much detail about the crucifixion but when ensure that children understood that Jesus gave his life so that they could understand the miracle of his resurrection.

Activities:

- Act out the key parts of the Easter story i.e. Jesus walking amongst the people as he enters Jerusalem, children could make palm leaves to wave to show their excitement
- Sequence the events of the Easter story if you have access to the free twinkl membership through following this link: [twinkl sorting cards](#)
- Look at some Easter symbols, such as Easter eggs, hot cross buns. Can they relate the to the story?
- Can children draw a scene from the Easter story?
