

Progression and Assessment in Modern Foreign Languages

Modern Foreign Languages Intent

From Year 3 to Year 6 we teach Spanish to all children. Our approach is to make learning a new language enjoyable! We believe that the learning of a foreign language provides a valuable educational, social and cultural experience for pupils. Each class has one lesson per week. The topics covered are introduced in Year 3, built upon in Year 4, reinforced and applied in Year 5 and 6, with more depth. The planning is designed to balance elements of speaking, listening, reading and writing in each topic. Topics covered over the year include: Greetings, Routines, Numbers, Colours, Likes and Dislikes, Family and Weather/Seasons. Lessons are structured to approach learning in a variety of ways: use of songs and games, matching, reading and writing activities.
